4. Elocution (One participant each college)
5. Creative Writing (One participant each college)

Outcome:

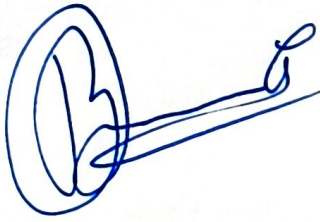

The DLLE Udaan Festival organized by the University of Mumbai is a significant event that provides numerous benefits and outcomes for participating students, enhancing their academic and personal development in several ways:

1. **Awareness and Education:** One of the primary objectives of the Udaan Festival is to create awareness among students about the extension work carried out by the University of Mumbai through its affiliated colleges. This includes a focus on social issues, which is achieved through various competitions on extension work projects. These activities not only inform but also educate students on important societal topics, encouraging them to think critically and empathetically.
2. **Skill Enhancement:** The festival offers students the opportunity to enhance their skills in areas relevant to modern technological work environments. By participating in competitions and activities centered on management, education, and entrepreneurship, students can develop a practical understanding of these fields. This hands-on experience is invaluable for their future careers, providing them with a competitive edge.
3. **Social Engagement and Responsibility:** Through its focus on social issues, the Udaan Festival encourages students to engage with their communities and develop a sense of social responsibility. Events such as street plays on vaccination awareness, poster making on water conservation, creative writing, and elocution competitions not only highlight important issues but also allow students to actively contribute to societal well-being.
4. **Personal Development:** Participating in the Udaan Festival fosters personal growth in students. Skills such as teamwork, time management, participation, and public speaking are developed or enhanced through their involvement in the festival's activities. These competencies are essential for success in both personal and professional spheres.
5. **Networking and Collaboration:** The festival provides a platform for students from various colleges and disciplines to come together, collaborate, and share ideas. This networking can lead to fruitful collaborations in the future, both academically and professionally.
6. **Recognition and Achievement:** For many students, participating in the Udaan Festival is an opportunity to achieve recognition for their efforts and talents. Winning competitions or even just being part of the event can be a significant achievement, adding to their portfolio of extracurricular activities.

7. **Inspiration for Future Endeavors:** Exposure to the diverse range of activities and projects at the Udaan Festival can inspire students to pursue new interests, academic pursuits, or entrepreneurial ventures. The festival serves as a catalyst for students to explore beyond their current academic curriculum.
8. This fest played a versatile role in the development of an individual's emotional, cognitive, social development, despite the individual peculiarities and differences of the participants.
9. The students enjoyed the activities through the Udaan Festival in the extension work.
10. They had an enriching experience which they would remember lifelong, besides they were also benefitted academically by securing 10 additional marks.

In conclusion, We secured 3rd prize in poster competition & consolation prize in Elocution. DLLE Udaan Festival offers a comprehensive platform for students to engage in learning beyond the classroom, fostering skill development, social awareness, and personal growth. These experiences not only contribute to their immediate educational journey but also prepare them for future challenges and opportunities in their careers and lives.
